April 2010

Greetings from Argentina

We received news Friday night that Gail's father entered the presence of our wonderful Lord and Savior. We would appreciate your prayers for the family at this time. Also if any of you would like to help with an offering to defray the cost of her going to the funeral it would be greatly appreciated.

We are continuing with our weekly evangelistic Bible study. Fernando, Hector and Estela have been faithful in their assistance. We would covet your prayers that the people they are inviting would come. Continue to pray for Ñeca and her husband Reuben, her spiritual growth and his salvation. Pray too for the Bravo family and the work they are doing in Villa Soldati.

We are also thankful at some new doors God has opened up this past week. One is with a young couple which we knew previously. Pray that God would continue to give us wisdom as we try to take advantage of the opportunities God is giving us.

We want to take this opportunity to let you know about an opportunity our mission has to support missionaries by being a part of "The League." The following link explains what this ministry is all about. Over the years our mission has slowly but surely reduced what they need to run the services they offer from 15% of our support to 10% of our support. A percentage like this is normal in just about every mission board. This pays for services they give us like doing our taxes, receipting and handling all our finances in the US, annual assessment of our ministry which is then available to all our supporting churches, spiritual guidance and strategic planning, etc. As you can see, there are many things they do for us. NOW, our mission would like to further reduce this percentage, but to be able to do this they will need a League of people to each take on a small amount. What it would mean for us is less money to have to raise and more funds that would get to the field. Click on the link. It is very well done and explains this whole issue: Biblical Ministries Worldwide - League Fund. You can view it at,
